Deafness Cannot Be Cured

by local applications, as they cannot  
reach the diseased portion of the ear.  
There is only one way to cure deafness,  
and that is by constitutional remedies.  
Deafness is caused by an inflamed con-  
dition of the mucous lining of the Eus-  
tachian Tube. When this tube is inflamed,  
you have a rumbling sound or imperfect  
hearing, and when it is entirely closed,  
deafness is the result, and unless the in-  
flammation can be taken out and this  
tube restored to its normal condition,  
hearing will be destroyed forever. Nine  
cases out of ten are caused by Catarrh,  
which is nothing but an inflamed con-  
dition of the mucous surface.We will give One Hundred Dollars for any  
case of Deafness (caused by catarrh) that  
cannot be cured by Hall's Catarrh Cure.  
Send for circulars, free.

## The "Kiddies" Know Good Soda

Did you ever watch the little folks and  
notice to what degree they are governed  
by impulse? They are quick to form  
likes and dislikes and to make compar-  
isons by mere instinct.We enjoy a large share of the children's  
trade in this community because they  
like our courteous treatment and prompt  
service.But when they come to the Soda Fountain  
it is because they know what delicious  
drinks we serve. Our Soda Water has  
a charm that brings people—children  
and grown-ups—back again and again. It's  
made of pure materials, skillfully blended.
